REMEMBER:

Ord Housing Authority
will be **CLOSED** on
Monday, October 10th
in observance of
Columbus Day.
See ya' on Tuesday.

Can't believe it is already time for the
"last and first" month.

October 5th will be the **last** burgers off the
grill for the year and October 19th will be the
first soup of the season.

October birthdays will be announced at the
first lunch.

Come and join us for lunch and conversation.
Each meal is only \$4.00

The importance of drinking plenty of water:

- * Water helps maintain the balance of body fluids
 - * Water can help control calories
 - * Water helps energize muscles
 - * Water helps keep skin looking healthy
- * Water helps your kidneys function more efficiently
- * Water helps maintain normal bowel functions

About 60 to 65 % of our bodies are water, so it constantly needs to be replenished, drink water to keep your body in good shape

ATTENTION ALL RESIDENTS-

Following the October 5th lunch, several Ord Firemen will be here to present a short program on **FIRE SAFETY. One lucky resident will receive a \$50 gift card to Shopko.**

<<Slow Cooker Broccoli Cheese Soup>>

1/3c butter or margarine

2 cloves garlic-minced

2 (12oz) cans evaporated milk

5c broccoli-diced

1/2c heavy cream

2T parmesan cheese

1 1/2c onion-chopped

6T flour

5c chicken broth

1/8t dried thyme

12oz cheddar cheese-shredded

salt and pepper to taste

Put slow cooker on high and add all ingredients except the heavy cream and the two cheeses, and stir well. Cook on high for about 2 1/2 to 3 hours or on low for about 6 hours. Turn cooker to warm (or off) and add heavy cream and cheeses-stir until well blended, season with salt and pepper to taste. Let sit until cheese is melted.

DO NOT worry if you don't have thyme-you can sub basil or oregano-or just leave it out all together

NOTICE TO ALL-JUST A REMINDER

Even though March seems to be a long way off-it will be here before we know it. As always, yearly inspections will once again take place in March.

Here is a basic cleaning supply list:

Rubber gloves to protect your hands, scrub brush for cleaning floors, a small bucket to hold supplies, a broom, mop, dust pan and vacuum.

An all purpose cleaner for counter tops and floors, bathroom cleaners keep the bathroom sparkling and germ free.

Glass cleaners will keep the glass surfaces free of smudges and streak free.

All homes should have a disinfectant spray for general cleaning of any contaminated areas.

This chore list will help keep your home ready for visitors at a moments notice:

Daily-wash dishes each day to keep your kitchen nice smelling and germ free. Do just a bit of clutter control each day-get rid of stacked papers or junk mail, put a shredder right by the trash can and use it.

Weekly-vacuum at least once a week, this will help with allergies and respiratory issues. Dusting from *top to bottom* keeps moving dust from settling where you may have already cleaned.

If you have any questions, please feel free to call the office at anytime @ 728-3770, we will do our best to help you.
