EASY CAKE MIX ZUCCHINI BREAD

1 yellow cake mix

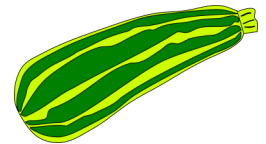

1/2c vegetable oil

3 eggs

1T cinnamon

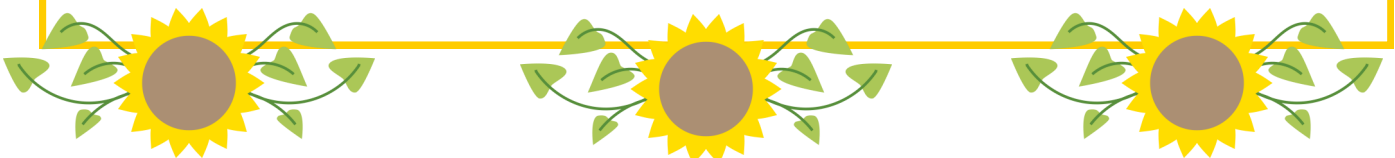

1/4c milk (or water)

2c coarsely shredded zucchini

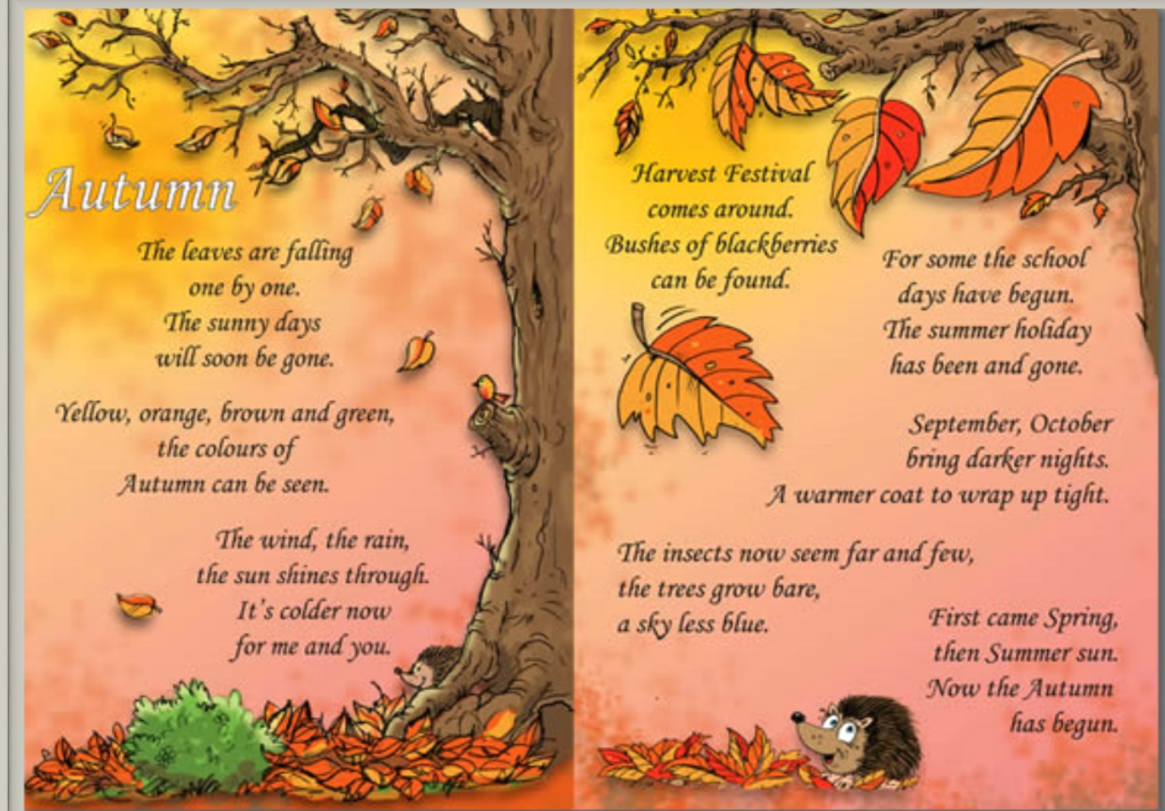

Heat oven to 350 and prepare two loaf bread pans with cooking spray. In large bowl combine all ingredients, except the zucchini, and mix until well blended. Add the zucchini and fold in. Divide the batter between the two pans. Bake about 45 to 50 minutes or until toothpick comes out clean.

Hint: after you spray the pans, sprinkle with cinnamon and sugar mixture on bottom and sides-this will add lots of extra flavor and a bit of "crunchy"-you can also use butter yellow cake mix for even more flavor

WELCOME TO AUTUMN

DID YOU KNOW ALL THE USES FOR VINEGAR??

(this is only a very few)

Freshen the fridge-clean shelves with solution of 1/2 vinegar and 1/2 water

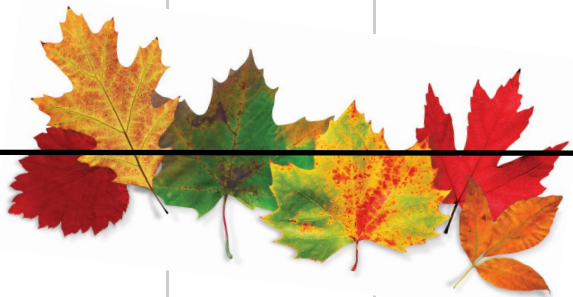

Tidy the toilet-pour about one cup of vinegar in the bowl-let sit for several hours or over night-scrub with toilet brush and flush

Put an end to itching-dab a cotton ball soaked in white vinegar on mosquito bites-it will stop the itching and disinfect the area

Steam away a microwave mess-fill a small bowl with equal parts of vinegar and water-place in microwave for about five minutes on high-as steam fills the oven it loosens the mess-clean up will be a breeze

Soften your feet-soak your feet for 20 minutes in one part vinegar to two parts warm water-the vinegar removes dead skin-leaving your feet soft and smooth
