SLOW COOKER VEGETABLE PORK STEW

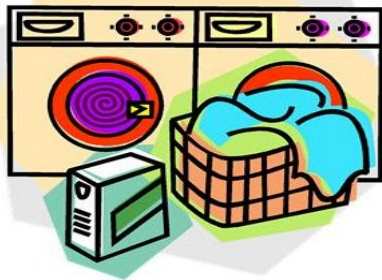

(quick and easy)

| | |
|---------------------------------|---------------------------------------|
| 2c baby carrots | 1# sm red potatoes-unpeeled-quartered |
| 1 can (14oz) tomatoes-drained | 1 1/2# pork meat-cut bite sized |
| 1 can (24oz) pasta sauce | 1T sugar |
| 1 can(14oz) green beans-drained | |

Spray inside of slow cooker with nonstick spray. Add everything except the green beans. Cover and cook on low for about 8 hours or high for about 5-or until meat is tender. Stir in green beans just before serving-long enough to heat the beans. HINT-serve this over white or wild rice. What a meal!!!

**ATTENTION RESIDENTS OF
PARKVIEW-ROLLING HILLS-
SUNRISE**

Please be considerate of all other residents in your complex, by making sure you leave the washers and dryers **ready** for the next user!

- Remove all items promptly
- Wipe washers and gaskets out after each use
- Clean out the dryer lint traps and dispose of residue and dryer sheets in trash can

If everyone takes a few extra minutes, it will make the “laundry chore” just a bit more enjoyable.

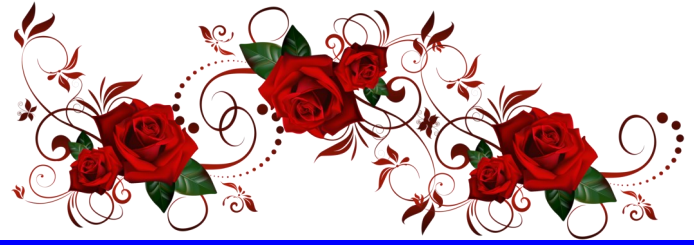

Happy Valentine's Day

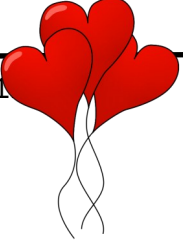

ATTENTION ALL RESIDENTS

Per HUD guidelines and federal law, The Ord Housing Authority Board of Commissioners will be adopting the **new** Smoke-Free Policy, which is posted at all housing complexes and the administration building, on March 14, 2017. This new policy will include the extension of smoke-free areas within 25 feet perimeter of all buildings, including scattered site homes. Public comment can be left in writing at the Housing Authority office until March 13, 2017, at which time this policy will be adopted by the board and take effect immediately.
