Recipe for a GOOD LIFE

Start with a generous blend of love, laughter and sharing.

Add family and friends and mix well.

Stir in plenty of time to smell the flowers and learn new things along the way.

Blend in equal parts of work and play.

Sprinkle with gratitude and savor!

Hey-Parkview and Rolling Hills- how about those newly installed flag lights? Don't they make "Old Glory" look spectacular? For those of you who haven't seen them yet, it is worth a short drive to see. ENJOY THE VIEW!!

Welcome 2018

SOMETHING TO BOGGLE YOUR MIND

According to a research study at Cambridge University, it doesn't matter in what order the letters in a word are, the only important thing is that the first and last letter be in the right place. The rest can be a total mess and you can still read it without problem. This is because the human mind does not read every letter by itself, but the word as a whole.
