"This Institution is an Equal Opportunity Provider & Employer"

Why do we celebrate Flag Day on June 14th? On June 14, 1777 the Continental Congress adopted the resolution that the flag of the United States shall be of thirteen stripes of alternate red and white, with a union of thirteen stars of white in a blue field, representing the new constellation. Both President Wilson, in 1916, and President Coolidge, in 1927, issued proclamations asking for June 14 to be observed as the National Flag Day. But it wasn't until August 3, 1949, that Congress approved the national observance, and President Harry Truman signed it into law.

Don't miss the last two pages of this Companion- they're all about ticks and mosquitos. Hope these will provide information that will be of value to you this summer.

What Is A Dad?

*A dad is someone who
wants to catch you before you fall
but instead picks you up,
brushes you off,
and lets you try again.*

*A dad is someone who
wants to keep you from making mistakes
but instead lets you find your own way,
even though his heart breaks in silence
when you get hurt.*

*A dad is someone who
holds you when you cry,
scolds you when you break the rules,
shines with pride when you succeed,
and has faith in you even when you fail...
