## Falling Leaves

Little leaves fall softly down  
Red and yellow, orange and brown  
Whirling, twirling round and round  
Falling softly to the ground

Little leaves fall softly down  
To make a carpet on the ground.  
Then, swish, the wind comes whistling by  
And sends them dancing to the sky.

The **second** word game is attached, complete and return to the office for your chance to win. GOOD LUCK!!

Remember: you must correctly complete all four word games to be eligible to win.
