PLEASE use the office number if you need to contact  
the Housing Authority.

**The office phone number is 728-3770.**

**Thank you for your cooperation!**

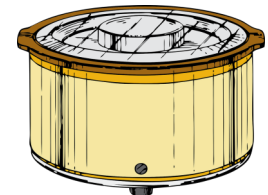

### **\*\*Two Crock pots— one complete meal\*\***

#### *HEAVEN IN A CROCK POT*

1 box brownie mix	1/2c melted butter-divided
4 eggs	1t vanilla-divided
1c chocolate chips	1 box chocolate cookie mix

Spray crock pot with nonstick spray. In large bowl, combine brownie mix, 1/4c butter, 2 eggs and 1/2t vanilla, fold in chocolate chips and set aside. In separate bowl, combine cookie mix with remaining butter, 2 eggs, 1/2t vanilla. Into the crock pot, drop alternating spoonfuls of brownie and cookie batter until all has been used. Cook until mixture is set in the middle, either on high for about 2 hours and low for about 5 hours. (over cooking will result in less gooey dessert)

Cool just a bit and serve with ice cream and cool whip.

#### *LOADED POTATOES*

2# baby potatoes-halved if large	3c cheese-(favorite kind) shredded
2 cloves sliced garlic-optional	8 strips bacon-cooked and drained
1/4c green onion-sliced	1T paprika
Salt and pepper to taste	

Line cooker with foil and spray with nonstick spray. Add 1/2 the potatoes, 1/4c cheese, half the garlic, 1/3 of the bacon, half the onions and half the paprika. Season with salt and pepper.

Repeat. Cover and cook on high until potatoes are tender, about 4 to 5 hours. (the bigger the potatoes the longer it will take for them to cook and be tender). About 20 to 30 minutes before serving, top with remaining cheese and bacon. (make it look pretty)

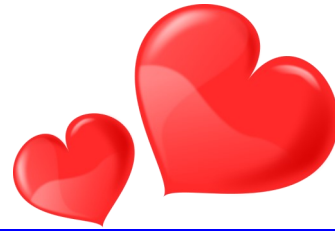

Serve with plenty of sour cream for topping. I would also add a couple cups of chopped ham to make it more meaty, or any other meat you might have in the fridge, and a cup of frozen peas.

## LEAP YEAR TRIVIA

Did you know 2020 is a leap year? Leap year is any year with 366 days instead of 365 days. So why the extra day-because it actually takes the Earth a little longer than a year to travel around the Sun-365 days, 5 hours,48 minutes and 46 seconds, to be exact. Therefore, as hours accumulate over the years an extra day needs to be added to the calendar to make up the difference. Leap year will only occur in years that are divisible by four-2012, 2016, 2020, 2024 and etc. In 2020, leap year lines up the major holidays perfectly, so the Valentine's Day lands on date night, Friday, while Cinco de Mayo lands on Taco Tuesday. Christmas 2020 and New Year's Day 2021 are also on Friday, meaning a 3-day weekend for each holiday. Anyone born on a leap day is known as a "leapling".
