## ATTENTION ALL RESIDENTS WITH PETS

### It is your responsibility to clean up your pet's droppings!!!

Weather you live at an apartment complex or in a site home- you **must** clean up after your pet. If you take your pet to non-housing authority property for “a walk” and they drop off a package-you must clean it up and dispose of it properly. If your pet is an inside pet-you still must dispose of the waste properly.

Recently, the Ord Park Superintendent stopped by the housing office for a chat. There has been complaints made to the city office about the public finding lots of pet droppings through out the park area.

It is a law to clean things up-you could be fined-

THINK ABOUT THAT FOR A BIT!!

If you have any questions feel free to call the office @728-3770.

## CHOCOLATE CHIP COOKIE PIE

2 sticks butter-melted

1c white sugar

1T vanilla

1/4c cornstarch

2c M&Ms

1c brown sugar

1 lg egg and 2 egg yolks-room temp

2c flour

1/2t salt

3/4c peanut butter cups-chopped

Preheat oven to 350 and prepare a 9” pie plate with cooking spray. In a large bowl add the melted butter and the two sugars, beat well until combined. Beat the egg, egg yolks and vanilla. Add the flour, cornstarch and salt, mix until **just** combined, be sure not to over mix here!! Fold in both candies. Spread mixture in the pie plate. Top with more candy if desired. Bake for about 38 to 40 minutes, or until the top is golden brown, the edges are completely set and the center of the pie is just a bit jiggly. If your cookie begins to look too dark, you can place a piece of foil over the top until baking is complete. Cool about an hour before serving. You can top with some whipped topping for even richer dessert.

Guess what-it's roughly only about 48 days until spring (finally) gets here!

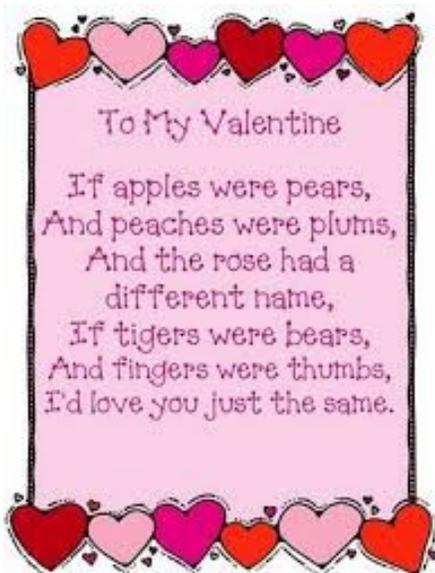

THERE IS HOPE THAT WINTER WILL SOON BE OVER. Hang on!

*NOTICE TO APARTMENT RESIDENTS-*

Thank you so much for your patience in regard to snow removal—it has been quite a challenge.

Also, a great **BIG** thanks goes out to each of you who did your part in helping with snow removal, it was greatly appreciated.

**GENERAL DECLUTTERING TIPS**

Start in one room and stay there until you're finished. Put the items you find in that room that don't belong there in a laundry basket. Carry that laundry basket room to room, collecting everything that belongs elsewhere. Once you're done decluttering, return everything in the basket to its proper place. Keep a damp rag with you to wipe any dust bunnies you run across. Reduce and recycle. **\*\*Less stuff less clutter.\*\*** Keep a small trash/recycling bin in each room to encourage tossing items right away. Keep seasonal items like grilling items, snow gear, etc. all in one spot. Label any storage containers you can't see through. When all things are in the proper place, there tends to be less clutter. Make use of over-the-door storage, hooks and vertical space- these areas are way underutilized.

**READY—SET—GO!!**
