When you dance,  
your purpose is not to get to a certain place on the floor.  
It's to enjoy each step along the way!

### \*\*\*TIME TO GET OUT THE CROCK POT\*\*\*

The best ever (and easy, too) slow cooker pot roast

3# chuck roast

1 pkg dry onion soup mix

1 onion-diced

3 potatoes-diced

3 lg carrots-chopped

1/2c water

salt/pepper to taste

Place the roast in slow cooker and season the salt and pepper. Sprinkle the onion soup packet next, and top with veggies and water. Cook on low for about 8 hours, or high for 4-5 hours.

What's the best part-you just dump everything into the cooker, walk away for a few hours, and dinner practically cooks itself. You can serve this over noodles or rice and you are good to go. YUM!!

Have you had time to realize that we have entered into the “ber months” ?

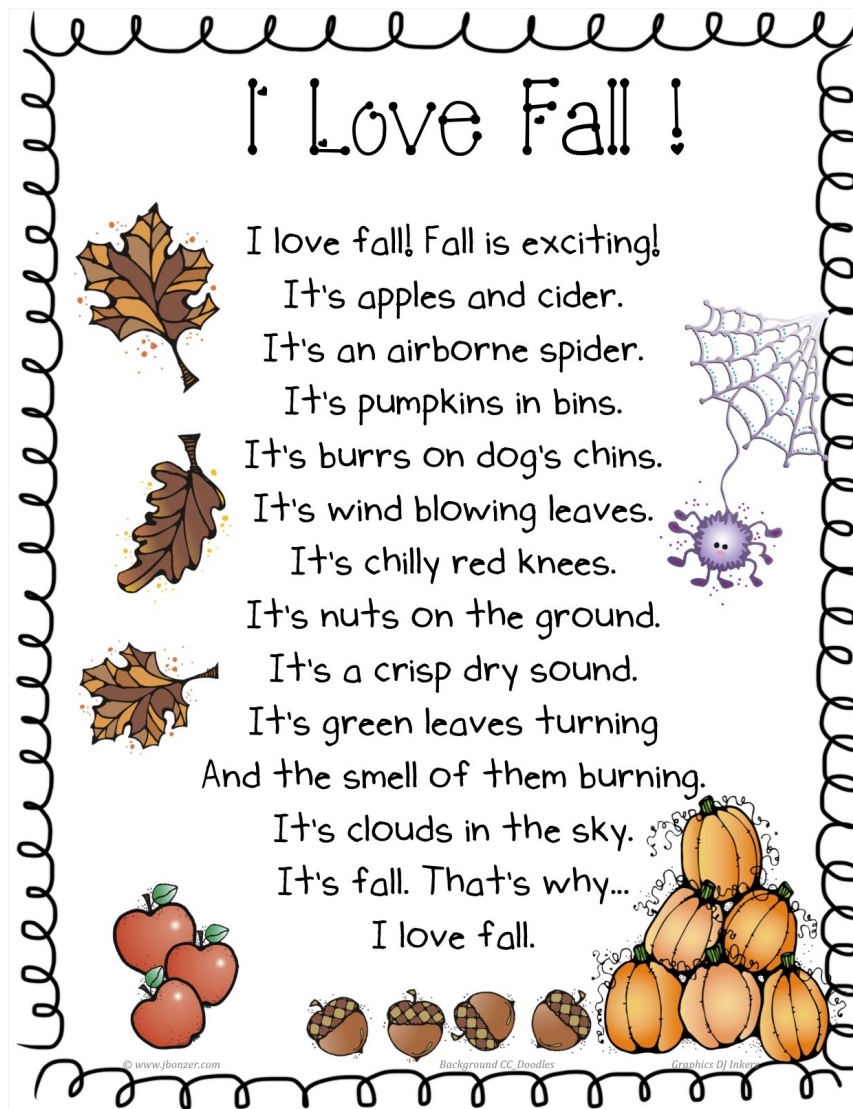

September October

November December

Two things are about to happen-  
it's gonna get cold

and

we will take two deep  
breaths, blink three times  
and low and behold it will be the  
middle of January 2023.

Just a couple quick reminders to all residents-

You must report all of your income to the office-

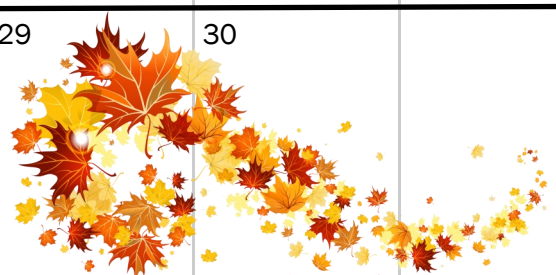

**IT'S THE LAW**

\*\*\*and\*\*\*

If you would like to have your rent automatically paid each month-come to the office and we will help you get started-  
it only takes a couple minutes.

This will save you time and be much easier with the coming winter weather.
