***Here are a couple reminders to all residents:***

\*Annual inspections are just around the corner, please call the office at 728-3770 if you have any needed repairs before inspections take place, this helps the inspections go along much smoother, for you and for us.

\*Also, the housing authority can have your rent automatically withdrawn from your bank. This can save you a trip! If this sounds good to you, come to the office, we can get you started, it only takes a couple minutes.

\*If you have a pet, it is your responsibility to clean up and dispose of the "poo" properly, this is stated in your signed lease.
