expected.

Thank you for understanding.

Patience is not the ability to wait, but the ability to keep a good attitude waiting.

~~It's soup time~~

Ham Chowder

10 bacon strips-diced 1 lg onion-chopped 1c carrots-diced

3T flour 3c milk 1 1/2c water

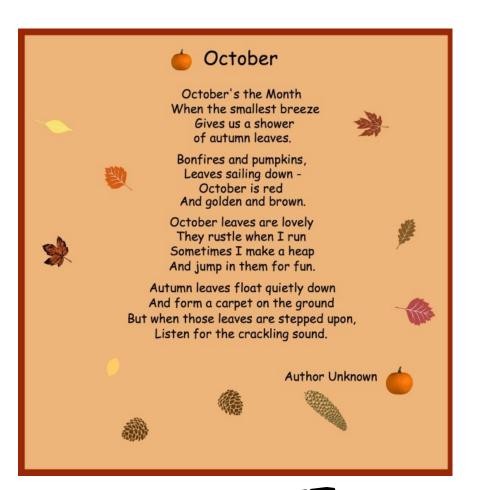

2 1/2c potatoes-cubed 1 can corn-drained 3c cheddar cheese-shredded

2t chicken bouillon granules 2c cooked ham fresh parsley-optional

In stock pot, cook bacon until crisp, remove and let drain on paper towels. In the drippings, cook onion and carrots until tender. Stir in flour until blended, gradually add milk and water. Bring to boil, cook and stir for about 2 minutes or until nicely thickened. Add the potatoes, corn and bouillon, reduce heat and simmer uncovered for about 20 minutes or until potatoes are tender. Add cheese and ham, heat until cheese is melted. Stir in the bacon, garnish with a bit of chopped parsley, if desired.

Serve with crunchie bread sticks for dipping.

For your convenience-there will be a shot clinic offered along with the foot care clinic on Tuesday, October 22nd from 1-3pm in the Parkview Community Room.

ATTENTION PARKVIEW RESIDENTS

Even though the weather is still quite "autumn like", in Nebraska things can change over night. It is time to start clearing your porches of planters, decorations and any other miscellaneous items you have on the porch. This will give maintenance a clear shot to remove **all** of the snow and ice that may accumulate. By doing this, it will be safer you, any visitors you may have and us.
