GIVING A SHOUT OUT

Need to take a minute and thank each of you for your patience and understanding if you may have had “any” air conditioner troubles during this very hot stretch of weather we have been having. Summer is just getting started, hope the rest runs smoothly, with no major bumps in the road.

Once again, thanks to much.

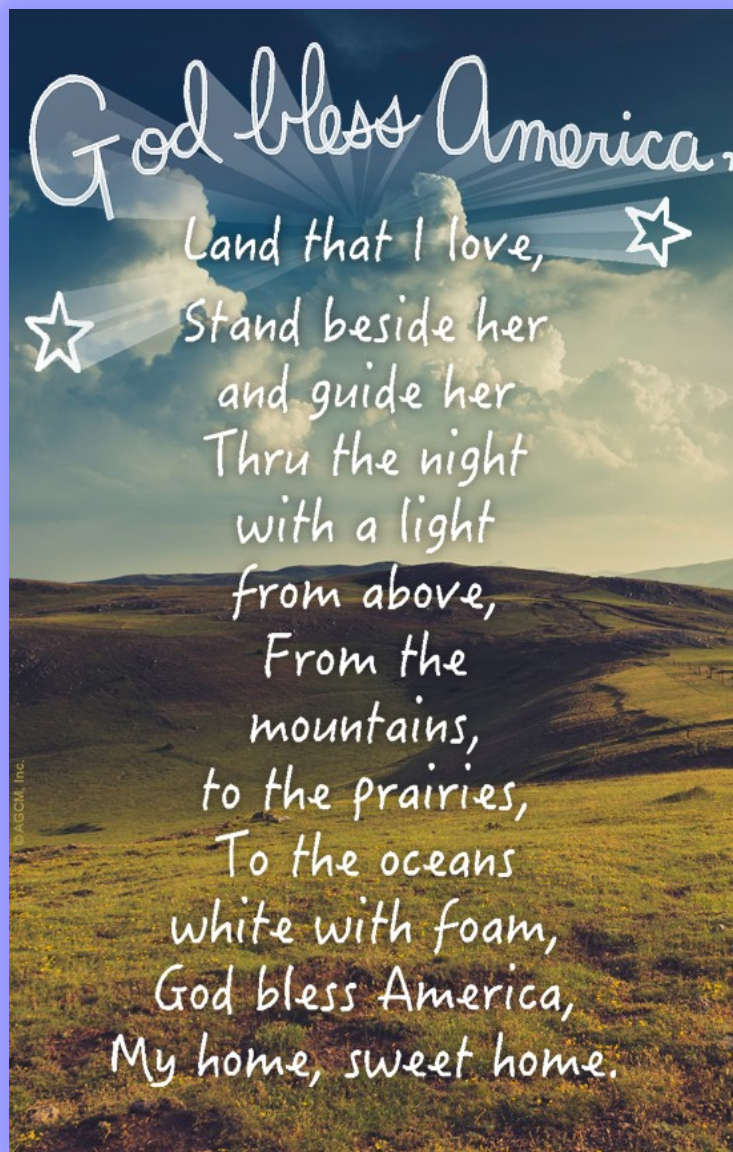

CHEESEBURGER BOWLS

- | | |
|----------------------------|--|
| 1 28oz bag frozen fries | 4T butter-melted |
| 1# burger | 1T olive oil |
| 1T seasoning-your favorite | 4 slices of cheese-your favorite |
| 1c lettuce-shredded | 1 tomato-sliced |
| 1c pickles | ketchup/mustard-for drizzling (or BBQ sauce) |

Toss the fries with butter and place evenly on a baking sheet. Bake according to package directions- usually about 25-30 minutes at 375. Form the burger into four patties and drizzle with olive oil and fry on medium to high, sprinkle with seasoning, cook about four minutes per side for medium. (adjust cooking time to the way you like your burgers to be done) Add a slice to cheese to each burger for the last minute or two, cover and allow to melt.

Divide the fries between four bowls and top each with a cheeseburger-add any or all of the other garnishments-OR you can use whatever toppings you like. Do just what you think sounds good and would make you happy. ENJOY-THESE SOUND LIKE LOADS FUN!
