---CONCERNING SNOW REMOVAL---

PARKVIEW-ROLLING HILLS-SUNRISE

As always, we will attempt to remove snow as soon as possible.

Those of you who have cars can greatly assist us in our efforts to clear sidewalks by being sure to park far enough away from the curb so as not to allow the nose of your vehicle to overlap the walkway. In other words, if you drive forward until your front tires contact the curb, then the car's nose is certainly blocking a significant portion of the walkway. Much of our snow removal equipment is as wide as our sidewalks, which means that any impediment along the walks prevents comprehensive removal of the snow.

Thank you for your cooperation.

REMINDER TO ROLLING HILLS TENANTS-

Furnace filters are scheduled to be changed during the second week of December. You need not be present for this task to be performed. **THANKS**

“EASY” EGG NOG POUND CAKE

1 yellow cake mix

1 sm pkg instant vanilla pudding

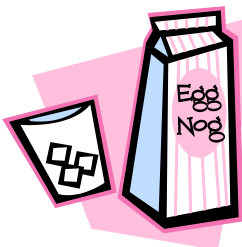

3/4c egg nog

3/4c vegetable oil

4 eggs

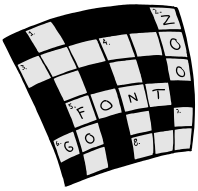

1/2t ground nutmeg

Preheat oven to 350 and prepare a bundt pan or angel food pan. Combine cake mix, pudding mix, egg nog and oil, beat with mixer until moistened. Add eggs and nutmeg, beat about four more minutes. Pour mixture into pan, bake about 40 to 45 minutes or until tooth pick comes out clean. Cool about 10 minutes, remove from pan and cool completely. You can sprinkle with powdered sugar, and serve with a dollop of whipped topping.

May the Christmas Star
Shine into your heart
and
Burn in your spirit bright.

May Jesus' peace bless you
